BY REVIEW LEASED WIRE

NEW YORK, Oct. 24.—The approach of the presidential election and attention to political considerations were accepted as the most plausible reasons for the irregularity of today's later dealings after a forenoon of decided strength.

Prices yielded one to two points from their best, declines being effected on comparatively light offerings.

The last half of the session was characterized by intervals of lassitude, trading from mid-day to the close barely amounting to one third of the total of 1,250,000 shares.

Quotations were at lowest levels in the last hour, but rallied substantially before the end, when leather and paper shares as well as petroleum and obscure rails were in urgent demand.

Bethlehem Steel was the outstanding feature of the morning, rising 44 points to the new record of 639 but closing at 618. General Motors also scored a new maximum at \$38 and Cuban Cane and Cuban American sugars were lifted to record quotations together with Central Leather, Utah Copper and Consolidated Gas and Electric of Baltimore.

Continued irregularity of the bond market was traceable to further selling of internationals, especially Anglo-French fives. Total sales of bonds, par value, \$6,570,000. U. S. bonds were unchanged on call.

METAL MARKET

NEW YORK, Oct. 24.—Lead 7.00 at 7.10. Spelter firm, spot East St. Louis delivery 10 at 10 1/4. Copper firm, electrolytic 27.50 at 28. Bar silver 67 1/2.

CHICAGO GRAIN.

CHICAGO, Oct. 24.—Huge export sales of wheat caused prices to advance today to an extent that made any previous quotations since the beginning of the European war look cheap. The market closed strong 1 1/2 to 4 1/2 net higher with December at 1.78 1/2 to 1.79 1/2 and May at 1.78 1/2 to 1.79 1/2. Other leading staples too, all scored gains—corn 1 1/2 to 2 1/2, oats 1 1/2 to 1 3/4 and provisions 7 cents to 1.40.

Bulwax in the value of wheat were preceded by a weak start and by a series of numerous fluctuations before the market in the last hour of the session took the upturn in earnest. No unusual upward leaps in prices took place until word came that export business of the day would aggregate as much as 2,500,000 bushels. Highest quotations of the session quickly followed, not only for wheat, but also for the entire grain list. In connection with the immense sales of wheat to Europe, the fact was pointed out that primary receipts in the United States today were less than half as large as a year ago.

Corn borrowed most of its strength from wheat. Oats advanced in sympathy with other grain and because of big export sales. Speculative buying led to excited upturns in the provision market.

How Catarrh is Contracted.

Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucus membrane at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere. (Advertisement)

BRITISH AND GERMANS BOTH CLAIM AIR VICTORIES
LONDON, Oct. 24.—The British admiralty issued tonight a note stating that there was no truth in the German admiralty's account of the battle of German and British aeroplanes off the Flanders coast on Monday afternoon. The German admiralty asserted that two German seaplanes defeated a hostile squadron of three hydroplanes and two battle planes and that one hydroplane was shot down by a German.

The British admiralty in its note reports the truth of its own account of the affair, which said that the British aircraft engaged four hostile planes off Ostend, destroyed one and put the others to flight.

Despondency.

When you feel discouraged and despondent do not give up but take a dose of Chamberlain's Tablets and you are almost certain to feel all right within a day or two.

SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years'
Standing, Relieved by Cardui.

Mr. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell."

I tried most every kind of medicine, but none did me any good.

I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it."

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlastingly tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.
